

# 10 Ways to Motivate Yourself When Learning English

Imagine that one day you will  
live in the United States.

## 2

Study other aspects of the culture to make it more rewarding to study English.

# Finding funny words in English.

4

To make friends with people  
who speak English.

5

Watching YouTube videos of other people who have successfully learned English.

Watching English movies and TV shows and enjoying the feeling when you can understand a word or a sentence.

## 7

Reading news articles, blogs and magazines to get a feel for formal and casual language.

## 8

**After dinner, write about your day in a journal in English.**

**Practice with flashcards of  
useful words and phrases for 15  
minutes every day on the train.**

10

Thank everyone and anyone  
who corrects your English.
