## Monday

This morning I got up early because I had something to do. I put on my school uniform and had lunch with my mother. Then I went to school and assembled. I sang the national anthem, chanted and went to the classroom. In period 1 I learned Math with Mrs. Sanuan, I love her so much, because she teaches well. After Math, I drank some milk and learned Life Experience. I learned Thai with Mrs. KobKul in period 3. She taught Thai Literature. Then I had something to eat. I ate fried chicken with rice. In lunch break, I did my exercises and chatted with my friends. I learned English and Handicraft in the afternoon. It was easy subject. After period 6, I ate some snacks with my friends and learned Math in the last period. I went home and did my homework. Then I had dinner with my family. Before I slept, I took a bath and watched television.

## Tuesday

Today I got up early in the morning. As soon as I went out from my house, I was unlucky because the rain fell so heavy. Then I went to school it was very late. I assembled in front of the classroom. In period 1 I learned English , the teacher revised vocabulary for preparing the monthly test tomorrow. Then I drank some milk and went to learn computer on floor 6. After that , I learned Thai and had lunch. I ate some fried chili pork and meat balls. In lunch break, I read some cartoon books. I learned Math about squares, it was difficult for me to understand. Then I learned music and science. After that, I did my homework and learned science again. I went back home when I finished learning. I had dinner with my family. At 9.00 p.m. I went to bed and slept happily.

## Wednesday

Today at 5.30 a.m. the clock woke me with a loud noise. Suddenly my mother knocked on the door. "Mathuwadee wake up it is late, Today is the Chinese ceremony", my mother told me. Then I helped my parents to prepare some food to respect our grandparents. Next, I hurried to go to school, but it was late again. I felt ashamed. The first period I took Thai/English test, it was easy for me. I think I can get good marks. Period 2 I learned Math and then, I learned Thai. At lunch time, I ate some fried fish cake with rice. In the afternoon, I learned Life Experience about history and Agriculture. After, I learned R.E., it was very boring and complicated. At last period I learned English about doing home page. I went back home by school bus and had dinner with my family. At 9.30 p.m. I went to bed because I felt sleepy. Bye Bye my diary. See you again tomorrow.

## Thursday

This morning I had a very good time, I felt happy. After I had breakfast, I went to school with my family by car. I did my work before I assembled. In period 1 I learned English about the time and then, I learned Math about

geometry, it was very difficult and complicated. The teacher gave us many exercise. I was bored. Next, I learned Thai and had lunch, I ate some egg noodle soup with wonton. Today I had duty, I took dirty plates to the kitchen. Then, I did my Math exercises and learned housework in period 4. After that, I learned life Experience about religion with Miss. Wassana and learned Scouts in period 6 in the playground. Then I cleaned the classroom and did my homework. I learned Thai again in the last period and went back home. At home I played with my kittens, ate some snacks and watered the trees and the flowers. Then I had dinner and slept at 10.00 p.m.

### **Sunday**

Today I got up very late because last night I watched many programmes on t.v. So I went to bed too late. I took a bath and had breakfast with my parents. My older sister went to the tutor school in Bangkok. I felt happy because it was a beautiful Sunday. I had time to do many things. I love Sundays, I don't go to school, do homework, learn many subjects and I am free all day. Today my father let me work on the computer. I enjoyed internet programmes, computer games, paint brush programme etc... Then I turned on the radio and I sang as many songs as I liked. I didn't think about tomorrow because the teachers will give us many exercise again. Oh! my god please help me!
